What in the world is going on, anyway? Well, you read this!...

The big dime stores closed in the Harbor Area. Closed tighter than a drum (how tight is a drum?) Everybody clamored for action. Women demanded bobby pins. Big strong men broke down and cried for pipe cleaners. Babies howled for diapers. Poker players demanded Bicycle cards. Children shouted for nickel candy bars. The public said: "Send for Carl, he's our man of action!" It's happened! It's wonderful! Carl is here! Last week it was a vacant store building. Tomorrow a madhouse of merchandise... a bedlam of bargains. Picnic tables for display counters. Everything under the sun, at prices that are just crazy. You've gotta be here tomorrow to see for yourself. Bring the kids. Bring grandpa. Bring a wagon, park it in front of the City Hall and haul your bargains home.
